### A Foul Murder.

When we state that quite recently a murder was committed in our midst, right here in Deming, we shall no doubt create something of a sensation. And yet it is a fact, and what is more, the awful crime was done by two ladies, who, by sheer force, converted their unsuspecting victim to the outskirts of the city and there shot him to death.

Probably none will be more surprised on reading this statement than the ladies who were the principal actors in this awful tragedy as they were sure that no witness to the act, but the means of the HANSMAN for getting hold of facts are great as these ladies will no doubt admit. Just what the motive was prompted these two ladies of culture and refinement to resort to such stringency measures, we do not care to state here. But that a murder has been committed is an actual fact. But who the parties are that committed it we will never tell, even though subjected to the rack.

We came near forgetting to say that the murdered one was a little white dog.

### Played Out.

Dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores are all positive evidence of impure blood. No matter how it came so it must be purified in order to obtain good health. Acker's Blood Purifier has never failed to cure scurvy, skin eruptions, pimples or any kind of blood troubles. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. J. A. Kinneer & Co.

### Shedders At His Past.

"I recall now with horror," says Mail Carrier Burnett Mann, of Leavenworth, O., "my three years of suffering from Kidney trouble. I was hardly ever free from dull aches or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man." They're unrivaled to regulate Stomach, Liver, Kidneys, and Bowels. Perfect satisfaction guaranteed by J. P. Byron. Only 50 cents.

### Acker's Dyspepsia Tablets Are

This place is sorely in need of a first class brick yard. There is no doubt but that an enterprise of this kind would prove a paying proposition from the start. We have the very best materials, soil, water, etc., for making good brick and just now, aside from the court house and other public buildings to be erected in the near future, fully 50,000 or 100,000 pressed brick could be used. If some man of experience would put in a pressed brick machine he would receive as many orders as he could well attend to. Deming offers greater inducements to a business of this sort than any other town herabouts and we hope to see one in operation here at an early date. Not only is there a demand here, but a great deal of shipping can be done.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. J. P. Byron.

### A WORTHY SUCCESSOR.

"Something New Under The Sun."

All Doctors have tried to cure CATARRH by the use of powder, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membrane causing them to crack open, and bleed. The powerful acids used in the inhalers have entirely eaten away the same membrane that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and speciality of the treatment of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE, and is sold at the extremely low price of One Dollar, each package containing internal and external treatment sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."
